DESCRIPTION

nh is a simple, versatile, practical appliance that can be laid or suspended. A white blown glass sphere slides along a brushed brass ring, which allows it to take different positions and to freely adjust and direct the diffuser. The frame becomes a support, a hook to hang the appliance to the wall, or a handle promoting an interaction with light. nh continues research on the dynamic interaction of experience, details, materials, form, and light that Neri&Hu are pursuing with Artemide. The selected materials represent a perfect combination of tradition and innovation, as well as the expression of responsible and sustainable design, also conveyed by the use of an in-box low-consumption retrofit LED source and by the eco-friendly cardboard packaging.

CARACTÉRISTIQUES

Code Article :	1217010A	Matériaux:	Blown glass, brushed brass
Couleur:	Brass	Séries:	Design, 2018
Installation:	Table		Artemide Collection
Environnement:	Indoor		

DIMENSIONS

Longueur :	cm 32
Largeur de la base:	cm 17
Base Width:	cm 5

SOURCES NON FOURNIES

Catégorie:	LED	Température de Couleur (K):	3000K
Nombre:	1		
Watt:	4W		
Flux Lumineux (lm):	320lm		
Typologie:	2		
Culot:	E14		
Class:	A		

LUMINAIRE

Watt:	Max 5W	Flux Lumineux (lm):	257lm
Tension:	220-240V	CCT:	3000K
		Efficiency:	80%
		Efficacy:	64lm/W
		CRI:	80

Remarques

Maximum bulb length: 80mm. Maximum bulb diameter: 50mm
