

Metrica Console

Design CtrlZak Studio

Metrica is a metal console available in titanium and burnished finishes with transparent crystal shelves available in titanium and burnished finishes with transparent crystal shelves available in bronze or green. The structure is simple, the rhythm is marked by the iron rods fixed at different intervals on an openly rigorous structure within which the books and objects inserted complete the form by writing new compositions from time to time.

MATERIALS, COLORS AND FINISHES

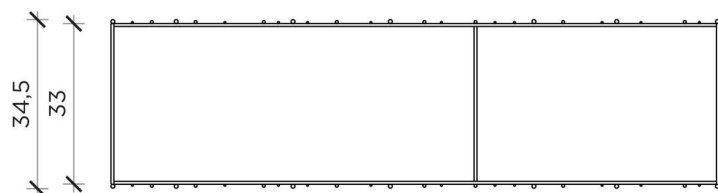

MATERIALS MATCH

Materials can show differences in colour from one lot to another. Mogg srl declines any responsibility in the case of any colour differences for materials and does not guarantee the exact colour correspondence between this sample and the finished product. Mogg srl reserves the right to make the products and finishing the changes it deems appropriate, at any time and without notice.
