Knif collection

by **STUDIO RU:T**

Knif is a modular shelving system which caters for customized solutions and diverse user needs in various concepts of interior design. Composed of the metal construction and solid wood shelves, the system provides numerous combinations of heights and widths that can be upgraded over time. With visually light and low-key appearance, this sturdy structure sets the stage to the user's content. Quite spacious shelf's depth provides for exhibiting objects of diverse nature. Knif's minimalistic flair makes it compatible with other interior elements while preserving its own character.
