

Penelope

Design Matteo Beraldi

Penelope is a floor lamp designed by Matteo Beraldi for the brand Mogg, in curved metal with black micaceous finish and LED light. It's available in two heights. Penelope is a hymn to the beauty and female intelligence, is the synthesis of a sign, sinuous and harmonious as the perfect profile of a woman. A profile that accommodates in its interior a light source skillfully combining form and function.

MATERIALS, COLORS AND FINISHES

MATERIALS MATCH

Materials can show differences in colour from one lot to another. Mogg srl declines any responsibility in the case of any colour differences for materials and does not guarantee the exact colour correspondence between this sample and the finished product. Mogg srl reserves the right to make the products and finishing the changes it deems appropriate, at any time and without notice.
