

# Zio Tom

Design Claudio Bitetti

Zio Tom is a table with essential style, made entirely of larch old recovered, designed by Claudio Bitetti for brand Mogg. Solid and durable, characterized by the color finish inside, which customizes an original and current. Claudio Bitetti creates a simple table that surprises with its warm wood core, colored inside. The irregularities of this ancient wood are seen as a compliment and not a defect, so typical of each table. The table is in fact made of laminated larch old recovery 'first film, "protective finish natural oil. The inner sides of the legs and the bottom of the plan are lacquered embossed finish in the color swatch. Perfect in the kitchen but also in modern living.
