

Musa

Design Næssi Studio

Musa is a metal wall shelf available in gold or black lacquer. Musa is a set of signs that create a shelf, a set of metal lines that create planes, circumscribe niches, determine a perimeter around objects. With Musa you can always create different configurations by fixing it to the wall rotating it while still remaining itself.

MATERIALS, COLORS AND FINISHES

MATERIALS MATCH

Materials can show differences in colour from one lot to another. Mogg srl declines any responsibility in the case of any colour differences for materials and does not guarantee the exact colour correspondence between this sample and the finished product. Mogg srl reserves the right to make the products and finishing the changes it deems appropriate, at any time and without notice.
